Save the Date!! Oct. 30 will be Immanuel's Trunk or Treat. This event will be a safe, fun time for the whole family. Bring the kids out in their costumes to load up on candy, and stay to sample some chili! In addition to the Trunk or Treat, PTL will be hosting a chili cook-off that same evening. Stay tuned to the Eagle Weekly for further details on the Trunk or Treat and chili cook-off, and start dusting off your chili recipes!!

Thanks to everyone who helped make Dedication Sunday such a great success. It was a great afternoon! We hope everyone has had a great first couple of weeks of school! God bless.

TWB Update

TWB/SCRIP CARDS ARE HERE!!! For those of you who are unfamiliar with this program, it is a "no-sell" fundraiser that benefits our school and YOUR tuition account! Just purchase gift cards to retailers that you would normally shop anyway, and they donate a percentage back to our school and half of that gets applied to your child's tuition...it's a WIN-WIN situation! Look for volunteers selling cards on Friday afternoons, Monday mornings, and Sundays after the 8:00 am service. Any questions, contact Cee Cee Liefer in the school office. Thank you supporting our school!

FLU VACCINES offered at
 IMMANUEL LUTHERAN SCHOOL

Influenza, or *Flu*, is a respiratory infection caused by a variety of flu viruses. The U.S. Centers for Disease Control and Prevention (CDC) estimates that 10 to 20 percent of Americans come down with the flu during each flu season, which typically lasts from November to March. Children are two to three times more likely than adults to get sick with the flu, and children frequently spread the virus to others. Although most people recover from the illness, CDC estimates that in the United States more than 100,000 people are hospitalized and about 36,000 people die from the flu and its complications every year.
